## Peer Evaluation

*What did the other members contribute?*

Your Name: \_\_\_\_\_

Color and Role: \_\_\_\_\_

Due Date: \_\_\_\_\_

Name of person being evaluated: \_\_\_\_\_

This person's major contribution to our research and PowerPoint was:

This person could be a better team member by:

Highlight all that apply	<b>Listening</b>	Listens carefully. Asks questions that lead to new ideas	Eager to hear other ideas and viewpoints	Makes comments that make others comfortable	Doesn't listen Stops other people's ideas
	<b>Talking</b>	Adds ideas and information that makes our work easier and keeps us on track	Encourages others to express opinions	Keeps us laughing and happy	Off topic, distracting
	<b>Resolving Conflict</b>	Lots of "yes, and..." statements help us find the best way of doing stuff	Gives in graciously	"No, but..." statements create tension (even if some are right)	Withdraws and doesn't participate anymore
	<b>Commitment to the Group</b>	Strong leader	Workshlhl enthusiastically and helps us stay on task	Works sometimes, other times knocks off	Doesn't seem to care
	<b>Participation</b>	Contributes continually, communicates ideas and encourages others	Is a focused participant	Takes control and dominates the project	Knocks off and keeps us off task

Additional Comments: (yes, you may write on back):

# Self Evaluation

## What did I contribute to the group?

Your Name: \_\_\_\_\_

Color and Role: \_\_\_\_\_

Due Date: \_\_\_\_\_

Using a scale of A – F, rate yourself on the following dimensions:

- |  |                                   |  |
|--|-----------------------------------|--|
| _____ Following instructions             | _____ Helping others stay on task | _____ Respecting all members of my group |
| _____ Asking important questions         | _____ Asking for help when needed | _____ Explaining things to others        |
| _____ Contributing ideas and information | _____ Sharing responsibility      | _____ Doing my best                      |

I could improve my group participation by:

<b>Highlight all that apply</b>	<b>Listening</b>	Listens carefully. Asks questions that lead to new ideas	Eager to hear other ideas and viewpoints	Makes comments that make others comfortable	Doesn't listen Stops other people's ideas
	<b>Talking</b>	Adds ideas and information that makes our work easier and keeps us on track	Encourages others to express opinions	Keeps us laughing and happy	Off topic, distracting
	<b>Resolving Conflict</b>	Lots of "yes, and..." statements help us find the best way of doing stuff	Gives in graciously	"No, but..." statements create tension (even if some are right)	Withdraws and doesn't participate anymore
	<b>Commitment to the Group</b>	Strong leader	Works enthusiastically and helps us stay on task	Works sometimes, other times knocks off	Doesn't seem to care
	<b>Participation</b>	Contributes continually, communicates ideas and encourages others	Is a focused participant	Takes control and dominates the project	Knocks off and keeps us off task

My most important contribution to the research and PowerPoint is:
